

21ST EDITION

SUMMER SCHOOL LISBON 2025

Empathy & Diversity

Portuguese people are known for their warmth and positivity, often creating a welcoming atmosphere. Students will practice engagement with others through empathy, diversity, and building strong connections.

Sustainability & Inclusivity

Iscte Business School unites students by promoting diversity, creativity and sustainability. Our Summer School is an opportunity to explore new cultures and perspectives!

WHAT TO EXPECT?

Research & Impact

Our courses are based on research on contemporary business topics, focusing on social impact. This program combines academic excellence with cultural activities, providing a unique opportunity to enhance skills and network in a vibrant international environment.

Team Work & Empowerment

Through group projects and case studies, students navigate challenges that drive personal and community empowerment. They build a strong network of future business leaders, fostering collaboration, adaptability, and shared learning in diverse situations.

Olá, let's do a mile in Lisbon!

During the Summer School, students enjoy exceptional cultural and recreating activities. These experiences encourage curiosity and teamwork, all while exploring the city's unique beauty.
